September 23-25, 2025
Canaan Valley Resort State Park
Davis, WV

Welcome and Introduction

Presented by:

Denise Clearwater

Wetlands and Waterways Protection
Program

Maryland Department of the
Environment

Photo: J. Harrison, MD DNR

Background

MAWWG has been meeting since 2002

**Focus on aspects of wetland monitoring
Sharing Ideas and Experiences**

Photo: MD DNR

Jurisdictions/Entities:

**EPA Region 3
Delaware
Maryland
New Jersey
North Carolina
Ohio
Pennsylvania
Virginia
Washington, DC
West Virginia**

Expansion

- Move beyond monitoring focus
- All aspects of wetland management
- Major theme and jurisdiction updates
- Meetings held throughout region

Photo: Richard Orr, DNR

Photo: MDE

Benefits

- Always a venue for sharing ideas
- Cost effective in that useful tools, methods, and experience can help others in improving management without re-inventing the wheel.

“....What a good approach....”

“.....Maybe we could adapt that...”

“I’ll have to follow up with X...”

Photo: P. Stango, DNR

Thanks to EPA

- Continued support in facilitating these meetings and exchanges of information
- Showcase for what works
- Lessons Learned
- Improving wetland management
