

# Developing an Action Plan for No Net Loss of Floodplain Functions

November 30 – December 2, 2021

1:00 – 5:00pm (EST)

**Workshop Goal:** To develop an Action Plan with clear recommendations and near-term actions leading to no net loss of floodplain functions and reduced flood risk in local communities.

Presented by the Natural Floodplains Functions Alliance and Wetland Mapping Consortium. Hosted by [ASWM](#).
