Corps Publishes Proposal To Reissue and Modify Nationwide Permits in Federal Register

The U.S. Army Corps of Engineers (Corps) is soliciting comments for the reissuance of the existing nationwide permits (NWP), general conditions, and definitions, with some modifications. The Corps is also proposing to issue two new NWPs and one new general condition. The Corps is requesting comment on all aspects of these proposed nationwide permits. The reissuance process starts with this publication of the proposed NWPs in the [Federal Register](#) for a 60-day comment period. The purpose of this Federal Register document is to solicit comments on the proposed new and modified NWPs, as well as the NWP general conditions and definitions.

Improving Wetland Restoration Success Webinar

A SWM FACEBOOK POSTINGS

Marla Stelk I had a wonderful time representing ASWM with Jeanne Christie at the Society of Wetland Scientists annual meeting in Corpus Christie, TX last week. It's always wonderful to run into old colleagues and friends, as well as meet new ones. This year we got to meet our fabulous former intern Mark Healy from Southern Illinois University who authored a report for us titled "A Comparative Analysis of Ecosystem Service
