Welcome & Introductions

3:10pm – 4:10pm

Presentations

4:10pm – 4:30pm

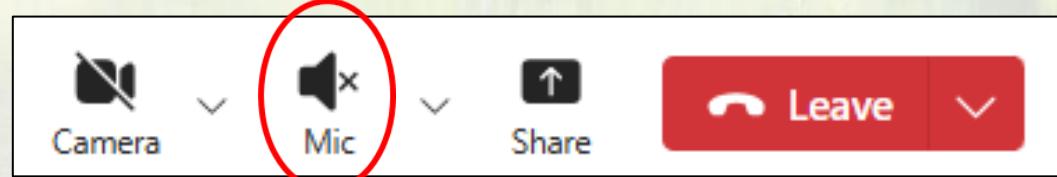

Audience Questions

# Technical Difficulties

---

If you have any technical difficulties  
during the webinar  
you can send us a question  
in the chat box  
or call Laura at (207) 892-3399.

# Webinar Tech Tips

**During the presentation, please keep your camera off and microphone muted.**

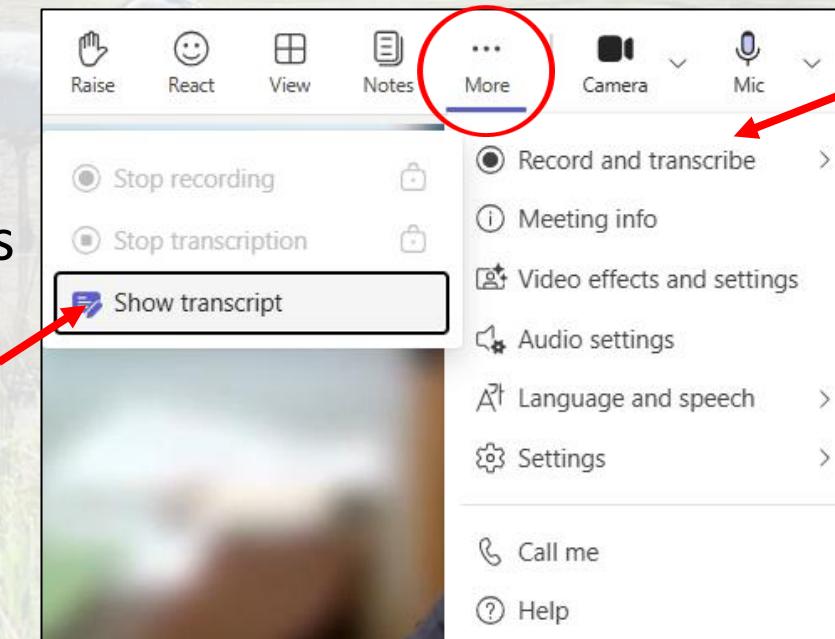

**If you are using the telephone to listen to the webinar:** Please mute both your computer's microphone and speakers or it will cause feedback.

**In order to view the live transcript:**

Select “More” on the meeting controls

Select “Record and transcribe”

Select “Show transcript”

# Webinar Tech Tips

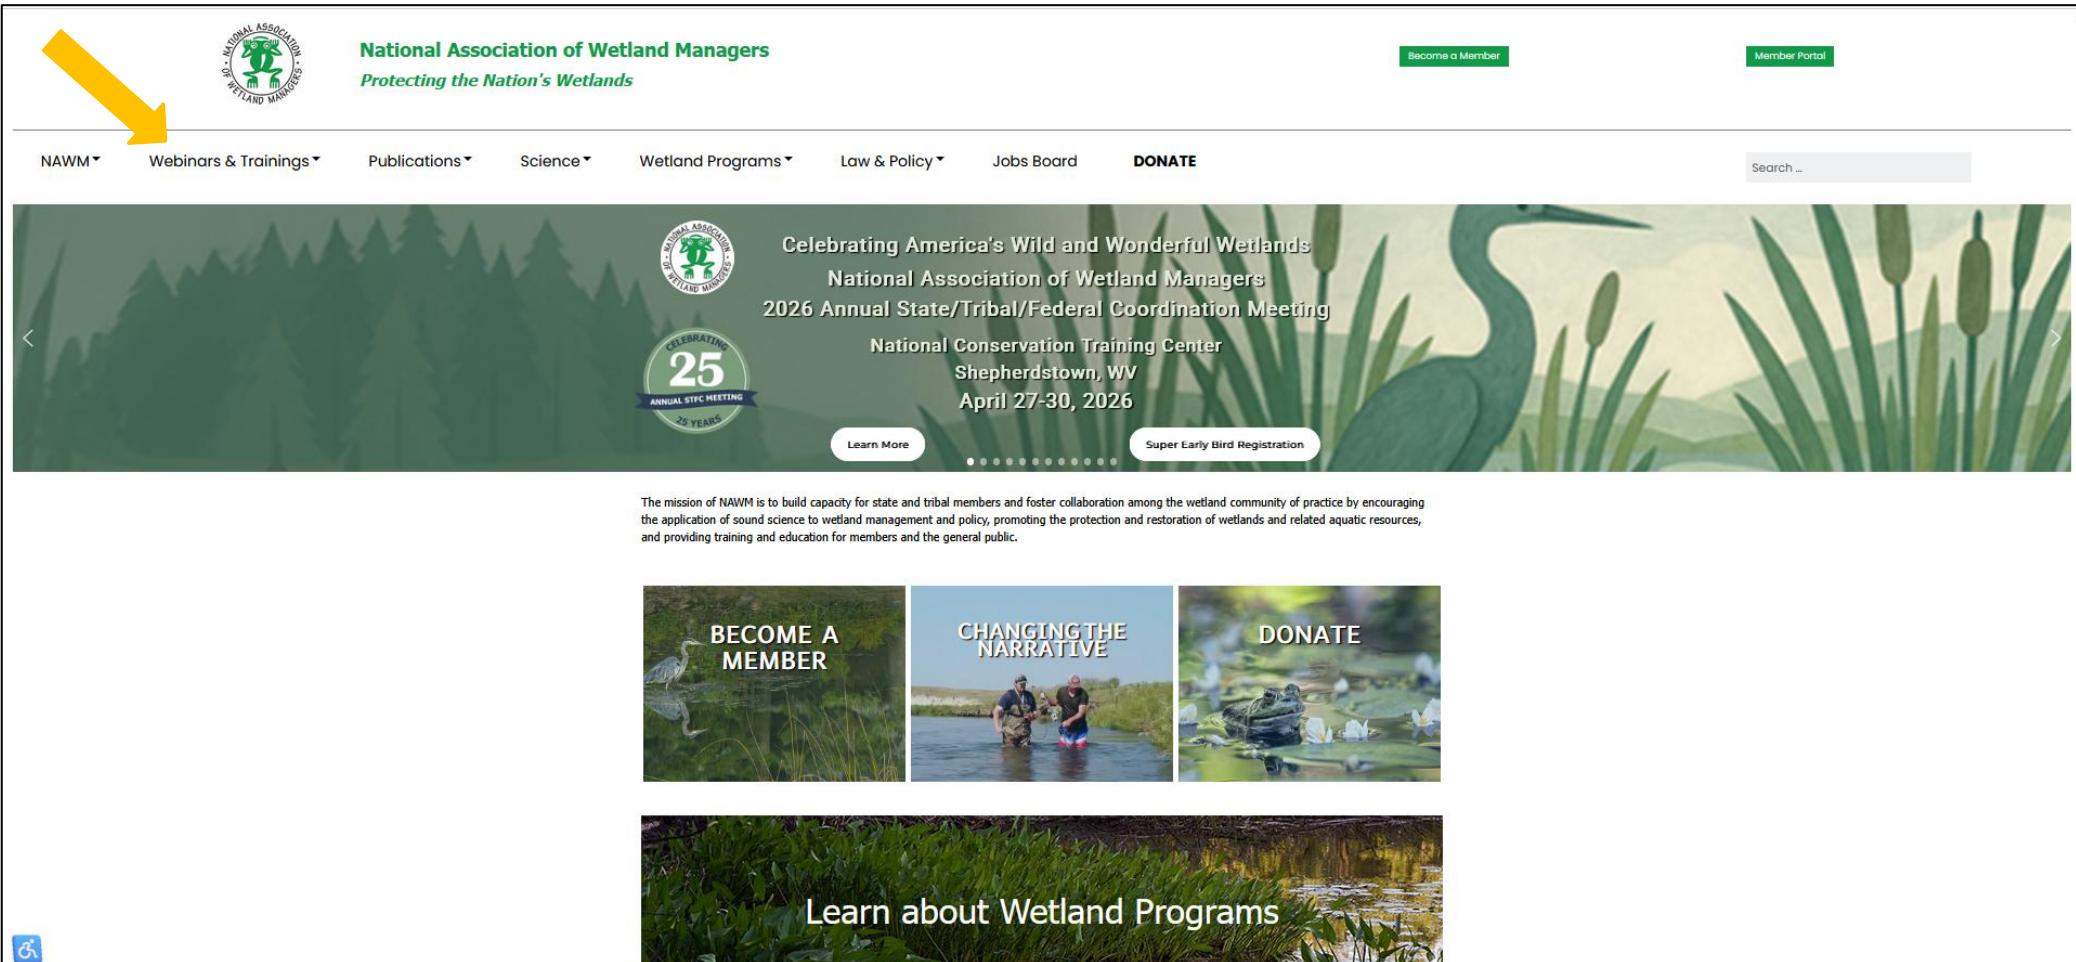

## How to Participate in the Webinar:

- ▶ **Raise your hand:** To ask a question.
- ▶ **Chat box:** If preferred, you can ask questions via the chat box as well. Everyone in the webinar can see what you type in the chat box and NAWM staff will be monitoring the chat.
- ▶ **Participant list:** Allows you to see everyone who is attending the webinar.

# NAWM Webinars

## How to Access Webinar Information at [www.nawm.org](http://www.nawm.org)

A screenshot of the National Association of Wetland Managers (NAWM) website homepage. A yellow arrow points to the 'Webinars & Trainings' menu item in the top navigation bar. The page features a large banner for the 2026 Annual State/Tribal/Federal Coordination Meeting, which is 'Celebrating America's Wild and Wonderful Wetlands' at the National Conservation Training Center in Shepherdstown, WV, from April 27-30, 2026. The banner includes the NAWM 25th anniversary logo. Below the banner, there is a mission statement and three call-to-action buttons: 'BECOME A MEMBER', 'CHANGING THE NARRATIVE', and 'DONATE'. At the bottom, there is a section for 'Learn about Wetland Programs' with a green frog icon. The website has a green header and footer.

# Changing to Presenter's Computer

A photograph of a great blue heron standing in a shallow wetland. The heron is facing right, its long neck and beak extended as it hunts for fish or other small prey. The water is calm, reflecting the surrounding green vegetation. In the background, there are various wetland plants, including tall grasses and broad-leaved aquatic species. The overall scene is a natural, outdoor setting.
