

Thank you for considering Sponsorship with the National Association of Wetland Managers (NAWM)

The mission of [NAWM](#) is to build capacity for state and tribal members and foster collaboration among the wetland community of practice by encouraging the application of sound science to wetland management and policy, promoting the protection and restoration of wetlands and related aquatic resources, and providing training and education for members and the general public.

Sponsorship helps NAWM respond to and stay on top of policy and practices vital to saving our nation's wetlands. Sponsorship is also a great way to increase your organization's visibility while supporting a good cause. Our e-newsletter, webinar, and annual meeting outreach spans over 4,000 wetland professionals in our network including state, tribal and federal policy experts.

Sponsorship Opportunities:

Wetland News Digest – our free monthly newsletter is sent to over 4,000 subscribers and posted on the NAWM website. Sponsorship provides the perfect opportunity for your business to increase its visibility with members of the wetlands and water resources community and reinforce your continued commitment to wetlands in the U.S.

Wetland News – our membership newsletter is published every other month and is sent to over 1,000 NAWM Members, providing wetland updates and featured articles from a variety of wetland voices. This publication is an invaluable resource to members, who may not otherwise have access to wetland-specific findings or information that is not published elsewhere.

NAWM Members' Webinar Series – NAWM is passionate about knowledge sharing. For nearly 40 years, NAWM has made it a priority to provide training and education for our members and is recognized nationally as a leader in providing professional, informative, and innovative webinars on diverse wetland topics. Our Members' Webinar Series brings together audiences rarely found in other platforms. The webinars are also recorded and placed in our on-demand online library, which provides additional exposure for your business.

NAWM's Annual State / Tribal / Federal Coordination Meeting – Be a part of this great event! More details coming soon!
